BRING YOUR MARKETING QUESTIONS WITH YOU!

Andrea Adler, founder of HolisticPR.com, and author of *Creating an Abundant Practice* and *The Science of Spiritual Marketing: Initiation into Magnetism*, pioneered Holistic Marketing in the early 80's. After 35 years of consulting, presenting workshops, tele-classes and Key-note presentations, Andrea is referred to as the "Metaphysical Marketer," cutting through the "maya" (illusion) of marketing.

Andrea's unique approach to marketing edifies a practical philosophy of consciousness that demonstrates how to integrate spiritual practice and psychological self-inquiry into a concrete and fundamental transformation of people's lives and their marketing approaches.
